

**National Ramah Commission Medical Committee**  
**Covid-19 Vaccination Statement for Ramah Camps and Israel Programs**  
**Summer 2024**

The National Ramah Commission Medical Committee convened on November 19, 2023 and unanimously endorsed the following statement. This statement applies to all Ramah participants, both campers and staff, at the overnight camps, day camps, and Ramah Seminar.

*For the summer of 2024, the Committee **strongly recommends** the Covid-19 vaccine for members of the Ramah community. For those vaccinated, the current CDC Covid-19 immunization schedules and recommendations can be found below.*

*Additionally, the Committee supports any camp that may choose to require the Covid-19 vaccine for essential staff members (e.g., director, senior leadership team, rashei edot, medical/nursing staff, kitchen staff, etc.).*
